MCCOR a church community for everyone

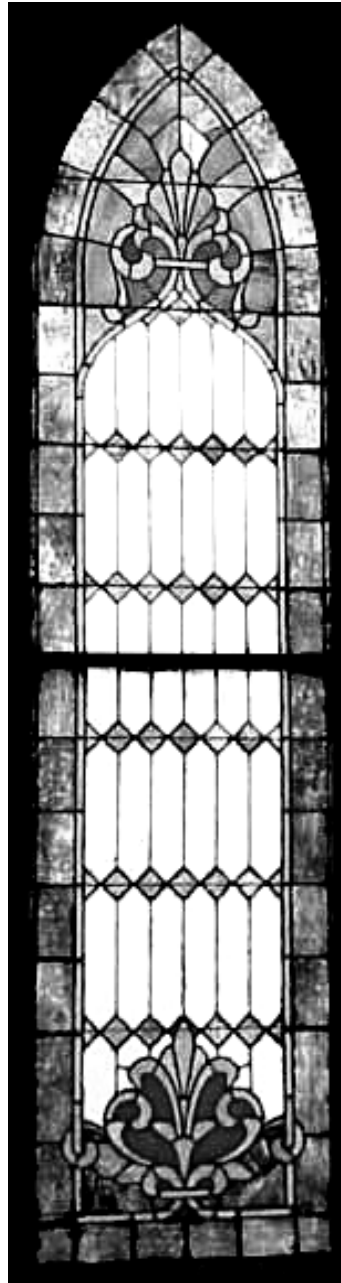

Metropolitan Community Church of Our Redeemer (MCCOR)

.....is a Christian Community extending God's inclusive love to everyone: gay, lesbian, bisexual, transgender, heterosexual, families with children, people of all ages, occupations, walks of life.

A Community in Action

Through a variety of activities including worship, discipleship, outreach and fellowship, MCCOR offers spiritual growth, hope, and healing for all.

Pastoral care in times of crisis is our first priority.

More Than a Church

You will discover that MCCOR is more than a church. We are a family which ensures that members and visitors are made to feel welcome and that we care for them and love them.

Worldwide Community

MCCOR is affiliated with the Universal Fellowship of Metropolitan Community Churches with more than 43,000 members and 300 congregations in 22 countries. This fellowship is one of the first to recognize the importance of women with more than 50% female pastors.

Let's Get Together

Together we can build and enjoy a life of caring, loving fellowship. You will discover that we are more than a church. We are a family.

Join us on Sundays to meet our MCCOR family.
